# Nazarene Mission International

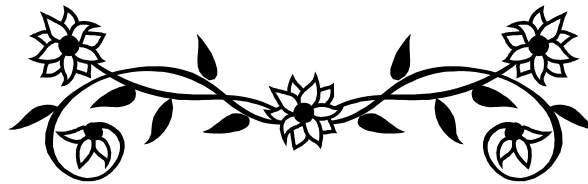

## Memorial Roll 2007-2008

### Medical Plan

Nazarene Mission International, NMI, has for years accepted the responsibility of helping to provide funds for the medical needs of our missionaries. These funds are raised in the local church through; Memorial Roll, Distinguished Service Award Certificates and freewill offerings.

A large share of this medical support comes through the Memorial Roll. This is a significant way to honor deceased friends and loved ones by contributing to the medical needs of our missionaries.

The first names were placed on the Memorial Roll in 1919. These records are kept in the General Nazarene Mission International Office in Kansas City, Missouri.

For each name placed on the Memorial Roll, an attractive certificate is issued in the name of the person to be remembered. Family or friends remit \$50.00 for each name to be added to the roll. The placing of the names on the Nazarene Mission International Memorial Roll is not limited to church membership and names can be added at anytime.

Anyone who is interested in giving towards the Medical Plan, please mark your tith envelope "Medical Plan." And please remember that it is more important to pay your tithes first, but over and above your tithes is a great way to help our missionaries.
